Status and Summary from -14-16

Summary

- WGLC ended February 21st (successfully, WGLC closed)

- Received shepherd writeup on June 8th.

- **Addressed YANG doctors review in -15 and -16 and OPS directorate review in -14.**

Changes in -15/-16:

- Many thanks to Martin Björklund for the YANG doctors review
  (https://mailarchive.ietf.org/arch/msg/netconf/XKZIcRSwdvCYYTcFCZBp90WJJLI/).

  - Merged input on Capability terminology. Detailed further on motivation description.

  - Change leaf-list items to be singular according to section 4.3.1 of draft-ietf-netmod-rfc8407bis.

Changes in -14:

- Many thanks to Jürgen Schönwälder for the OPS directorate review
  (https://mailarchive.ietf.org/arch/msg/netconf/NSjqneeTX1lMwR_-u7nyBRHAbfs/).

  - Merged input on Publisher Master/Agent terminology and editorial changes on notification message loss for better clarity.

  - Section 3 is now renamed "Motivation and Solution Overview" where Section 4 is named "Solution Detail".

  - Integrated subscription state change notifications in the "Solution Detail" overview diagram.
